

CORRECTION NOTE: HIGHER ORDER ELICITABILITY AND OSBAND'S PRINCIPLE

BY TOBIAS FISSLER¹ AND JOHANNA F. ZIEGEL²

¹*Institute for Statistics and Mathematics, WU Vienna University of Economics and Business, tobias.fissler@wu.ac.at*

²*Institute of Mathematical Statistics and Actuarial Science, University of Bern, johanna.ziegel@stat.unibe.ch*

A pair of errors regarding Proposition 3.4 and Theorem 5.2(ii) of Fissler and Ziegel (2016) have been noted. Corrections to them along with comments on imprecisions in two other results, Propositions 4.2 and 4.4 in the same article, are provided in the online supplement Fissler and Ziegel (2020).

Acknowledgments. Tobias Fissler gratefully received funding of his Chapman Fellowship by the Department of Mathematics at Imperial College London.

SUPPLEMENTARY MATERIAL

Supplement to “Correction note: Higher order elicibility and Osband’s principle”
