- **JSTOR ACCESS FOR ASL MEMBERS.** Access to the full-text of *The Bulletin of Symbolic Logic* for the years 1995–2002 has recently been made available to all ASL members via JSTOR. Access to *The Journal of Symbolic Logic* for the years 1936–1997 continues to be available. If you already have obtained a JSTOR account for the *Journal*, you now have access to the *Bulletin* via the same account. To obtain your temporary username and password for accessing the *Bulletin* and the *Journal*, or if you have misplaced your account information, contact Paul Arroyo of the University of Illinois Press at [parroyo@uillinois.edu](mailto:parroyo@uillinois.edu). To register your account, go to <http://www.jstor.org/logon> and enter your temporary username and password. If you need help registering, download the Individual Access Logon hand-out at [http://www.jstor.org/about/indiv\\_support/](http://www.jstor.org/about/indiv_support/) or contact JSTOR at [jstor-info@umich.edu](mailto:jstor-info@umich.edu).
- **PERSPECTIVES IN MATHEMATICAL LOGIC VOLUMES AVAILABLE.** This series is now being published by the Association for Symbolic Logic, under the new name *Perspectives in Logic*. Owing to the generosity of Springer-Verlag, the former publisher of the series, the ASL has recently made the existing stock of certain books in the series available to the logic community at low prices, as has been done with the *Lecture Notes in Logic*. (Some books in the series will continue to be made available by Springer-Verlag and others will be reprinted by ASL.) An order form for the volumes sold by the ASL can be found online at <http://www.aslonline.org/files/Perspectivesorderform.pdf>. This form also can be obtained by writing to the ASL Business Office.
- **BOOK DISCOUNTS FOR ASL MEMBERS.** Several publishers now offer discounts on books to ASL members. For a detailed description of these discounts, visit <http://www.aslonline.org/books-discounts.html> on the ASL website, or write to the ASL Business Office.
- **STUDENT TRAVEL AWARDS: THE 2003 ASL ANNUAL MEETING, 2003 ASL EUROPEAN SUMMER MEETING, AND OTHER ASL OR ASL-SPONSORED MEETINGS.** The ASL will make available modest travel awards to graduate students in logic and (for the European Summer Meeting only) to recent Ph.D.'s so that they may attend the 2003 ASL Annual Meeting in Chicago, Illinois, or the 2003 ASL European Summer Meeting in Helsinki, Finland; see below for information about these meetings. Student members of the ASL also may apply for travel grants to other ASL or ASL-sponsored meetings. To be considered for a Travel Award, please (1) send a letter of application, and (2) ask your thesis supervisor to send a brief recommendation letter. The application letter should be brief (preferably one page) and should include: (1) your name; (2) your home institution; (3) your thesis supervisor's name; (4) a one-paragraph description of your studies and work in logic, and, in the case of an ASL student member application to attend an ASL or ASL-sponsored meeting other than the Annual Meeting or European Summer Meeting, a paragraph indicating why it is important to attend the meeting; (5) your estimate of the travel expenses you will incur; (6) (for citizens or residents of the USA) citizenship or visa status; and (7) (voluntary) indication of your gender and minority status. Women and members of minority groups are strongly encouraged to apply. In addition to funds provided by the ASL, the program of travel grants to the ASL Annual Meeting and the European Summer Meeting is supported by a grant from the US National Science Foundation; NSF funds may be awarded only to students at USA universities and to citizens and permanent residents of the USA.
