ISSN (0090-5364)

THE ANNALS of STATISTICS

An Official Journal of
The Institute of Mathematical Statistics

Articles

Estimation of the mean of a multivariate normal distribution ..... Charles M. Stein 1135
Parameter transformations for improved approximate confidence regions in nonlinear least squares ..... Douglas M. Bates and Donald G. Watts 1152
On the robustness and efficiency of some randomized designs ..... Chien-Fu Wu 1168
Tests for independence in two-way contingency tables based on canonical correlation and on linear-by-linear interaction ..... Shelby J. Haberman 1178
On the asymptotic accuracy of Efron's bootstrap ..... Kesar Singh 1187
Some asymptotic theory for the bootstrap .. Peter J. Bickel and David A. Freedman 1196
Bootstrapping regression models ..... D. A. Freedman 1218
Asymptotic theory of triple sampling for sequential estimation of a mean ... Peter Hall 1229
Inadmissibility of large classes of sequential tests ..... L. D. Brown and Arthur Cohen 1239
Likelihood ratio tests for and against a stochastic ordering between multinomial populations ..... Tim Robertson and F. T. Wright 1248
Invariant tests on covariance matrices ..... John I. Marden 1258
Robustness of multivariate tests ..... Takeaki Kariya 1267
Regression analysis with randomly right-censored data H. Koul, V. Susarla and J. Van Ryzin 1276
A complete class theorem for statistical problems with finite sample spaces Lawrence D. Brown 1289
Minimax estimation of the mean of a normal distribution when the parameter space is restricted ..... P. J. Bickel 1301
On the almost everywhere convergence of nonparametric regression function estimates ..... Luc Devroye 1310
On the asymptotic probability of error in nonparametric discrimination .. Luc Devroye 1320

Short Communications

A comparison of the Efron-Hinkley ancillary and the likelihood ratio ancillary in a particular example ..... Bo V. Pedersen 1328
A necessary and sufficient condition for second order admissibility with applications to Berkson's bioassay problem ..... J. K. Ghosh and Bimal K. Sinha 1334
On estimating the probability of discovering a new species ..... Anne Chao 1339

Vol. 9, No. 6—November 1981
