

## ERRATUM

Book review of: *Finite groups of Lie type. Conjugacy classes and complex characters*, by Roger W. Carter; reviewed by T. A. Springer, Bull. Amer. Math. Soc. (N.S.) **17**, no. 1 (January 1987), pp. 145–148.

On page 147, lines 11, 10, 9 from the bottom, the sentence should read “In still more recent work he has obtained in many cases a full description of the character table of a finite group of Lie type.”
