

DR. H. W. REDDICK, of Columbia University, has been appointed professor and head of the department of mathematics in the Cooper Union, New York City.

PROFESSOR R. D. CARMICHAEL, of Indiana University, has been appointed assistant professor of mathematics in the University of Illinois.

By mutual arrangement between the departments concerned, Mr. C. H. YEATON, recently appointed instructor in mathematics at Dartmouth College, has resigned to accept a similar appointment at Northwestern University, and Mr. C. R. DINES, at present instructor at Northwestern University, has accepted an instructorship in mathematics at Dartmouth College for the coming academic year.

At Cornell University Drs. C. F. CRAIG and F. W. OWENS have been promoted to assistant professorships of mathematics.

At the Massachusetts institute of technology Dr. B. B. LIBBY and Mr. GEORGE RUTLEDGE have been appointed instructors in mathematics.

DR. G. M. CONWELL, of Yale University, has been appointed instructor in mathematics in the New York state college for teachers.
