NOTES.

The twenty eighth summer meeting of the American Mathematical Society will be held at Wellesley College, Wellesley, Massachusetts, on Wednesday, Thursday, and Friday, September 7–9. It will be preceded by the summer meeting of the Mathematical Association of America. A joint session of the two organizations has been arranged for the afternoon of Wednesday, September 7, with two speakers on phases of the Theory of Relativity. The usual joint dinner will be on Wednesday evening.

The regular sessions will be held in Founders' Hall. Tower Court will be open for the accommodation of members and friends, a separate wing being assigned to ladies and married couples. The Hall in this building will be available for social purposes during the meetings. General social functions and an excursion will be arranged.

Wellesley is fifteen miles from Boston, on the main line of the Boston and Albany Railroad. There is frequent train service from Boston as well as from Worcester and the West.

Titles and abstracts of papers intended for presentation at the meeting should be in the hands of the secretary by August 8, in order to appear on the printed program. Papers received after that date can be presented only as time permits. This announcement replaces the preliminary notice issued in the past. The attention of members is invited to the fact that no other preliminary notice will be issued.

The Division of Physical Sciences of the National Research Council was held in Washington on Wednesday, April 20. The following officers were elected for the ensuing year: chairman, Professor H. G. Gale; vice-chairman, professor E. P. Lewis; executive committee, Professors R. A. Millikan, Augustus Trowbridge, O. Veblen, John Zelleny. As members-at-large, Professors E. F. Nichols, S. W. Stratton, and G. W. Stewart were elected. The appointment of Professor E. B. van Vleck to succeed Professor H. S. White as one representative of the American Mathematical Society was announced. Professor L. E. Dickson reported for the American Branch of the International Mathematical Union that an invitation had
