

THE TWENTY-EIGHTH ANNUAL MEETING OF THE
AMERICAN MATHEMATICAL SOCIETY

The twenty-eighth annual meeting of the Society and the forty-eighth regular meeting of the Chicago Section were held at the University of Toronto on Wednesday and Thursday, December 28-29, 1921, in affiliation with the Convocation week meetings of the American Association for the Advancement of Science. Dormitory and eating accommodations for the mathematical group were furnished by the University of Toronto, Knox College being almost wholly given up to this purpose. Hart House was the center of a generous hospitality which filled the hours outside the scientific program with a delightful and varied entertainment.

On Thursday morning there was a joint session with Sections B and C of the American Association for the Advancement of Science and with the American Physical Society, and on Thursday afternoon a joint session with Section A and the Mathematical Association of America. At a special Convocation, the University of Toronto conferred on Professor E. H. Moore, as president of the American Association for the Advancement of Science, the degree of Doctor of Science, *honoris causa*.
