

EDITORIAL MESSAGES

By Paul D. Humke and Clifford E. Weil

Thanks. The Managing Editors once again wish to express our thanks to Jana Chlebig for the work she did on some of the files for the present issue. A special note of thanks also to Gabriela Ene, who, in spite of her personal loss, wishes to continue typing manuscripts for us. And finally thanks also to Jimmy Peterson (a.k.a. Professor Peterson) for all of the hard work he did dealing with galley proofs.
