#### SECOND SERIES

---

A new series of the Annali of the Scuola Normale Superiore of Pisa will begin publication in November 1931, in two sections, one for literature and one for the mathematics and mathematical physics. The two sections will be published entirely separately.

The scientific section will be edited by the scientific faculty of the University of Pisa, under the direction of Professor Leonida Tonelli, Director of the Mathematical Institute of the University and Professor at the Scuola Normale. It aims to become a journal of international scope, in the range of its contributors as well as in the distribution of its readers. It will publish one volume a year, consisting of four parts, of about 100 pages each. The price of subscription will be 100 lire.

Subscriptions should be sent to NICOLA ZANICHELLI, BOLOGNA (ITALY). Correspondence concerning exchanges, and editorial correspondence should be addressed to Professor L. Tonelli, University of Pisa, Pisa, Italy.
