- FORMULARIO matematico. Turin. 1–4 as Formulaire de mathématique. Suppl. to Rivista di matematica. There were two distinct forms of “Editio V, Tome V de editione completo,” one published in 1905–06, as “proba de 100 exemplere,” the other in 1908. The first of these contains: fascicolo 1 (304 pp., 1905), fascicolo 2 (pp. 305–391+8 plates, 1906), and indice et vocabulario (xlvii pp., 1906). The second consists of: prefatione, tabula de symbolos, bibliographia (xxxv pp.), fascicolo 1 (272 pp.), fascicolo 2 (pp. 273–463). Pages 1–272 in both forms seem to be identical, but otherwise the differences are considerable
