Subject: Int. conferences on self-reference??
Date: 10 May 96 22:51:36 GMT

I found out that there was a First International Conference on Self-reference in 1979, on the Isle of Wight; have there been others, anybody have the proceedings (A. Pedretti, Transcripts of..., Princelet editions)?

This information is on p. 76 of *Complex systems and binary networks*, Springer 1995.

Subject: Kazimierz Ajdukiewicz: biography

Recently somebody asked for biographical information about Kazimierz Ajdukiewicz. A short outline can be found in: Pearce, David; Jan Wolenski (eds.): *Logischer Rationalismus*. Philosophische Schriften der Lemberg-Warschauer Schule. Frankfurt am Main, 1988, Athenaeum, p. 314.
