THE INSTITUTE OF MATHEMATICAL STATISTICS

(Organized September 12, 1935)

The purpose of the Institute of Mathematical Statistics is to encourage the development, dissemination, and application of mathematical statistics.

OFFICERS

Membership. Membership dues including a subscription to the ANNALS OF MATHEMATICAL STATISTICS are $20.00 per year for residents of the United States or Canada and $12.00 per year for residents of other countries. Special rates of $10.00 per year are available to students. Inquiries regarding membership in the Institute should be sent to the Treasurer of the Institute.

Subscription Rates. Current issues of the *Annals of Mathematical Statistics* are $30.00 per volume (six issues of one calendar year). Members of the Institute of Mathematical Statistics pay different rates (see above). Single issues are $5.75. Back numbers for all issues up to and including 1956 (Volume 27) are $16.50 per volume, $4.50 per issue; issues from 1957 through 1964 are $22.00 per volume, $5.75 per issue; from 1965 onward, $33.00 per volume, $5.75 per issue. Complete sets (Volumes 1 through 27) are $275.00. If additional volumes are ordered at the same time complete sets are ordered, the price is $16.50 per volume for Volumes 28 through 35, and $22.00 per volume for Volumes 36 through 40. Complete sets (Volumes 1 through 40) are $500.00.

Communications concerning **subscriptions, back numbers, payment of dues, membership, changes of address, etc.,** should be addressed to the Treasurer. **Advertising** correspondence should be directed to the Managing Editor.

Mail to the *Annals of Mathematical Statistics* should be addressed to either the Editor, Managing Editor or the Treasurer, as described above. It should *not* be addressed to Waverly Press.

EDITORIAL POLICY

The main aim of the *Annals of Mathematical Statistics* is to publish original contributions to theoretical statistics and to probability theory. The emphasis is on quality, not just on formal novelty and correctness of the contents of a paper. Expository papers are also welcome, especially if they provide authoritative surveys of areas that have been in vigorous development.

NOTICE

Manuscripts submitted for publication in the *Annals of Statistics* should be sent to the Editor at the following address: Ingram Olkin, Department of Statistics, Stanford University, Stanford, California 94305. Manuscripts submitted for publication in the *Annals of Probability* should be sent to the Editor at the following address: Ronald Pyke, Department of Mathematics, University of Washington, Seattle, Washington 98195.

IMPORTANT ANNOUNCEMENT
TO
SUBSCRIBERS TO THE ANNALS OF
MATHEMATICAL STATISTICS

Beginning with the calendar year of 1973 *The Annals of Mathematical Statistics* will be superseded by TWO journals.

These are the:

ANNALS OF PROBABILITY	Per Volume (Six Issues) $25.00
ANNALS OF STATISTICS	Per Volume (Six Issues) $25.00

The Institute of Mathematical Statistics will also continue to publish "The Institute of Mathematical Statistics BULLETIN", begun in January, 1972. A subscription to the BULLETIN will cost $4.00 per year. Such subscriptions will not be part of subscriptions to the two ANNALS but must be ordered separately.

****

All subscription orders are on a *calendar year basis* ONLY and payable in advance.

There is NO SPECIAL RATE for ordering MORE THAN ONE JOURNAL.

****

ALL orders and correspondence should be addressed to the Treasurer's office:
