

THE NOVEMBER MEETING IN PASADENA

The five hundred seventy-fourth meeting of the American Mathematical Society was held at the California Institute of Technology in Pasadena, California on November 19, 1960. There were 183 registrants at this meeting, including 120 members of the Society.

By invitation of the Committee to Select Hour Speakers for Far Western Sectional Meetings, Professor Halsey Royden of Stanford University addressed the Society on *Function algebras*. He was introduced by Professor Richard Arens.

There were six sessions for contributed papers with Professor J. H. Barrett, R. A. Dean, L. J. Paige, H. G. Tucker, F. A. Valentine and C. H. Wilcox presiding.
