

## MEMBERS OF THE SOCIETY

October 1, 1950

The following list includes the name of every person who is a member of the Society as of October 1, 1950.

So far as information is available the listings are made up as follows: (a) Surname. A dagger before a surname indicates life membership. (b) Initials, or the given name when there is but one, except that the first given name of every woman member is given in full. Parentheses enclosing any part of a name indicate that that part is not generally used in correspondence. (c) Official title or position. (d) Name and address of institution or organization with which item (c) is associated. (e) The address to be used for mail if this is different from (d). The name of the city and postal district number, where necessary, are not repeated if they are the same as in (d). (f) Following the regular listing, information re military service or temporary appointments is given.
