**CUMULATIVE INDEX TO
IMS SCIENTIFIC JOURNALS
1960–1989**

- Indexes the following journals:

The Annals of Mathematical Statistics (Vols. 31-43, 1960-1972)
The Annals of Statistics (Vols. 1-17, 1973-1989)
The Annals of Probability (Vols. 1-17, 1973-1989)
Statistical Science (Vols. 1-4, 1986-1989)
Selected articles from *The IMS Bulletin* (Vols. 16-18, 1986-1989)

- Follows the same format as the *Current Index to Statistics*, including author and subject indexes:

Author index lists each author of each article. Lists are chronological for each author.

Subject index lists each article according to important words in its title and key words not appearing in the title.

Published by the Institute of Mathematical Statistics. Publication of the *Cumulative Index to IMS Scientific Journals* is expected in early 1991.
