The BULLETIN contains a large number of critical reviews of mathematical treatises and text-books, a complete monthly list of new mathematical publications, notes on current events in the mathematical world, addresses before mathematical bodies, reports on progress in various branches of the science, reports of the meetings of the Society and of other mathematical societies and congresses, and many short original articles.

Published by the Society. Issued monthly, except August and September. Sent free to members of the Society. Subscription price to non-members $5.00. Members of the Society are entitled to receive back volumes of the present Series to complete their sets at $4.00 per volume, so far as the supply permits. A member connected with an educational institution may order the current volume for its library at $3.00.

Books for review and manuscripts intended for publication in the BULLETIN should be sent to the Committee of Publication. Subscriptions should be sent to the Treasurer of the Society.
