NOTICE TO AUTHORS

On account of the increased danger of loss in transit, and of misunderstanding, due to the fact that the printing will be done abroad hereafter, the editors request:

- 1) That all manuscripts be typewritten.
- 2) That authors notice and employ the styles used in selection of type, in arrangement, in heading, in references, etc.
- 3) That a carbon copy with all formulas and corrections be kept by the author. A second carbon copy, to be kept by the editors, would be appreciated.
- 4) That greater care than formerly be exercised in spelling, punctuation, handwritten symbols, etc.

Manuscripts that do not fulfill these requirements, which are intended primarily as a safeguard, may be returned to the authors for revision.
