THE APRIL MEETING IN HAWAII

The six hundred thirty-third meeting of the American Mathematical Society was held on Saturday, April 9, 1966 at the University of Hawaii in Honolulu, Hawaii. There were 69 registrants at this meeting, 56 of whom were members of the Society.

By invitation of the Committee to Select Hour Speakers for Far Western Sectional Meetings, hour addresses were given by Professor Branko Grünbaum of Michigan State University and the Hebrew University, Jerusalem, and by Professor Jakob Korevaar of the University of California, San Diego. Professor Grünbaum's talk was entitled *Polytopes, graphs, and complexes*, while Professor Korevaar spoke on *Distributions*. Professor J. W. Green introduced the address of Professor Grünbaum, and Professor Watson Fulks presented Professor Korevaar.

The presiding officers at the Sessions for Contributed Papers were Professor W. J. Leahey, Dr. J. J. Martin, Professor E. H. Mookini, Dr. D. S. Newman, Professor J. E. Nyman, Professor R. J. Wisner, and Professor J. W. T. Youngs.
