

**CORRIGENDUM TO “REVIEW OF PRODUCT INTEGRATION
BY JOHN D. DOLLARD AND CHARLES N. FRIEDMAN”**

BY MICHAEL A. FREEDMAN

In my review of *Product integration* by J. D. Dollard and C. N. Friedman, which appeared in the March 1982 issue of this *Bulletin* (Bull. Amer. Math. Soc. (N.S.) **6** (1982), 230–233), it was erroneously stated that equation 3.6 on page 135 of their book was incorrect. I regret my error in this matter.
