

ERRATUM

On the Lie subgroups of infinite dimensional Lie groups, by J. Leslie, Bull. Amer. Math. Soc. (N.S.) **16**, no. 1, (January 1987), 105–108.

On p. 106, in Definition 3, condition (2) should read:

(2) $x_0 + \varepsilon C + (\varepsilon/1!)C_1 + \cdots + (\varepsilon^n/n!)C_n \subseteq U$; $D_x X_\xi(\varepsilon C + \varepsilon C_1 + \cdots + \varepsilon^n C_n; C_n) \subseteq C_{n+1}$; $\xi \in \varepsilon B$.
