An ABC of Skeptical Reflections

«A Pro Scientia Viva Title»

Each essay is unique. Some are witty and entertaining; others more serious and controversial. All are exciting and compelling. They bring to life the observations and thoughts of a man who has excelled for decades as a scientist and who is now hailed as "one of the wisest and most eloquent essayists now writing in English!"

«A Pro Scientia Viva Title»

"It is a great achievement to write on this subject so as to fascinate, delight, and inform the reader; Dr. Squires has done just that... So horribly and entertainingly does he expose the inadequacies of the present system, that radical reform seems essential... After the first reading, this is a book for the bedside, to be dipped into from time to time!"
