

## EDITORIAL MESSAGES

By Paul D. Humke and Clifford E. Weil

**Thanks.** The Managing Editors once again wish to express our thanks to Jana Chlebik for the work she did on some of the files for the present issue. A special note of thanks also to Gabriela Ene, who, in spite of her personal loss, wishes to continue typing manuscripts for us. And finally thanks also to Jimmy Peterson (a.k.a. Professor Peterson) for all of the hard work he did dealing with galley proofs.

**Vasile Ene Memorial Fund** The *Real Analysis Exchange* established this fund with a contribution of \$1,000.00. It is an endowment fund whose revenue will be used to pay the living expenses of young Romanian mathematicians attending the annual summer symposia sponsored by the *Real Analysis Exchange*. All readers of the *Exchange* are invited to contribute to this fund.

**Special Subscribers Fund** In the past year the following subscribers have made contributions to the Fund.

J. Marshall Ash, I. A. Ault, Claude-Alain Faure, Harry Miller, Max Jodeit, Roy A. Johnson, Tamas Keleti, Ching-Ming Lee, Arnold W. Miller, Roy A. Mimna, John C. Morgan II, Kandasamy Muthuvel, Peng-Yee P. Y. Lee, David L. Renfro, T. H. Steele, Ralph Svetic, John T. Walsh

This fund helps pay the subscription costs for many subscribers for whom the cost is prohibitive.

If you would like to make a contribution to these funds, please send it in the form of a check payable to *Real Analysis Exchange* and mailed to the address below, or you can put it on your credit card by sending the amount of your contribution, your credit card number with expiration date and your home address to the same address.
